

Thanks for downloading/printing our directions.

We've separated the directions into 4 distinct directions of approach, and whilst there might be quicker ways of getting to the barns, we've taken the most straight forward routes.

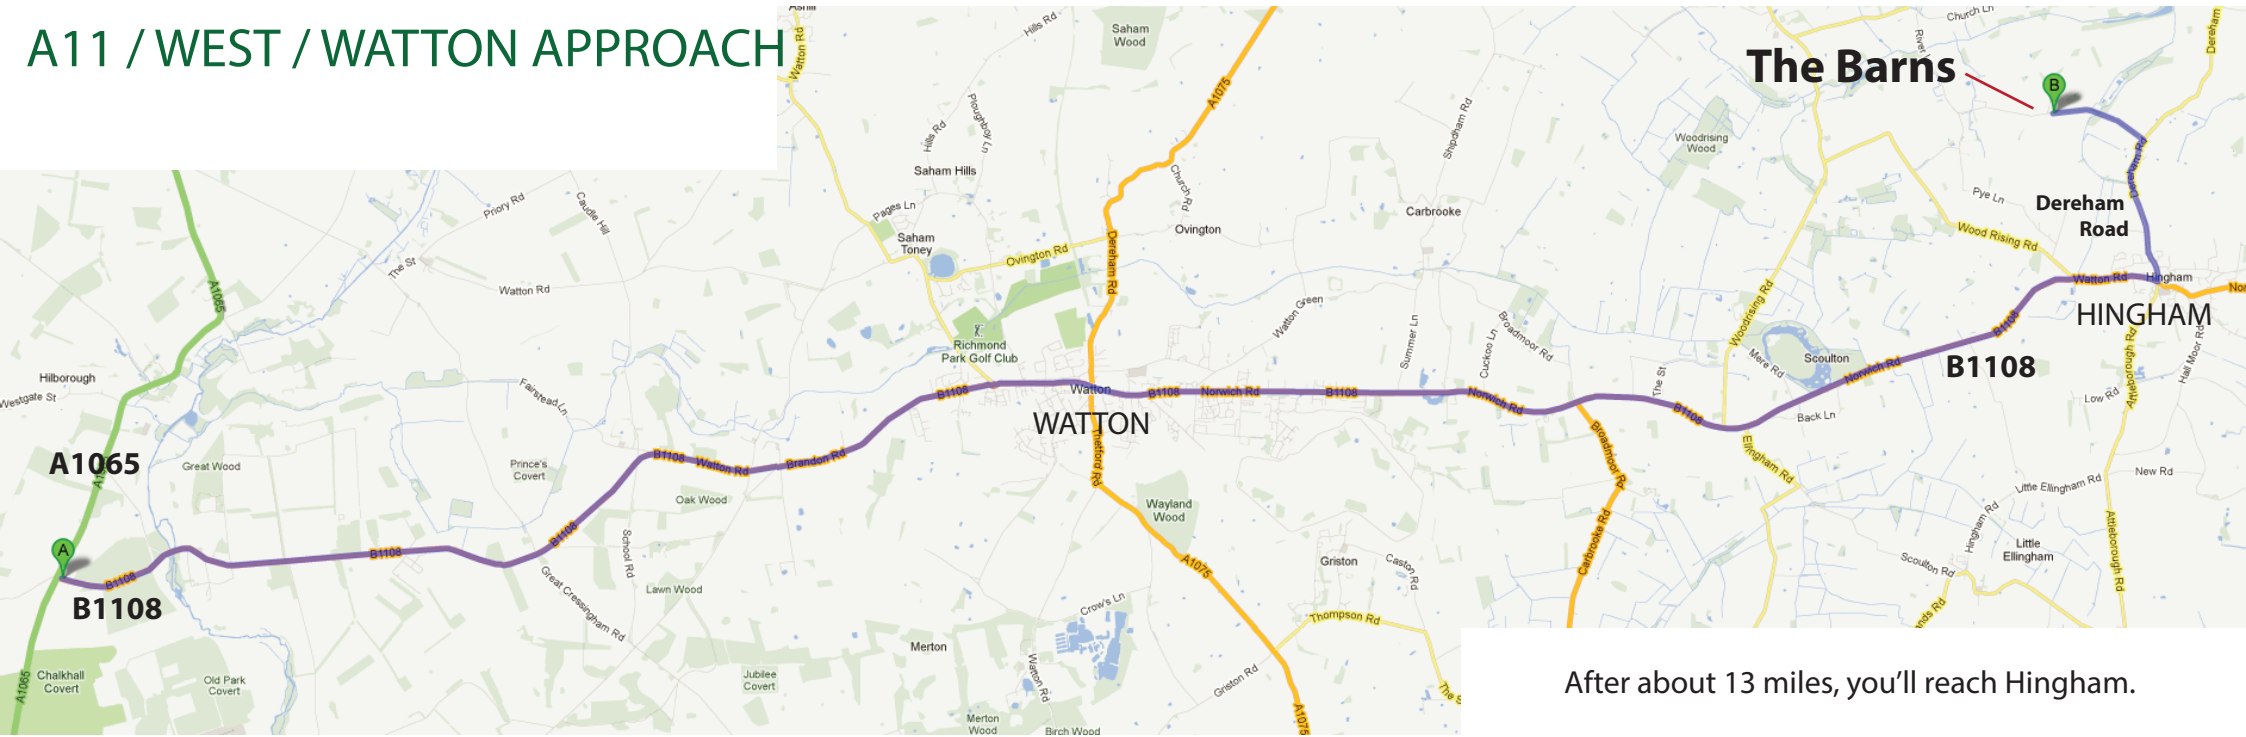

The direction of approach up to you, so you'll have to plan the initial part of your trip.

Please don't rely only on your sat nav, these directions used in conjunction with a map book / sat nav etc should get you here safely.

If in doubt, navigate to the Village Green in Hingham, and head north on Dereham Road, and take the left a mile up this road, signposted Cranworth.

-  **A11 / WEST / WATTON APPROACH**
-  **A47 / NORTH / EAST DEREHAM APPROACH**
-  **A47 / EAST / NORWICH APPROACH**
-  **A11 / SOUTH / ATTLEBOROUGH APPROACH**

A11 / WEST / WATTON APPROACH

Follow signs to the A1065. If coming from the south, you can join this from the A11 - follow signs to Brandon/Swaffham.

Once north of Mundford, take the right hand turn, sign posted B1108 - Watton.

Continue on the B1108 through Watton.

After about 13 miles, you'll reach Hingham.

Once in Hingham, you'll reach the Village Green. In the middle of the green there is a crossroads. Take the left turn - Dereham Road. Signed Dereham / Reymersden.

Continue along Dereham road out of Hingham, past the housing.

Follow this road for 1 mile.

Take the left turn. Signed cranworth.

After 0.5 miles, the turning to the barns will be on your right signed Park Farm.
